EXECUTIVE SUMMARY

Clinical Audit Executive Summary

Status: Critical / High Priority
Risk Score: 10/10 (Maximum Severity)

Overview

This audit analyzed 601 clinical records to assess compliance and quality standards. While the overall volume of negative findings is statistically low (2.7%), the assigned **Risk Score of 10/10** indicates that the nature of these discrepancies represents a critical threat to patient safety, regulatory compliance, or institutional liability.

Key Metrics

* **Total Records Audited:** 601
* **Negative Findings:** 16 (Failure Rate: 2.66%)
* **Compliance Rate:** 97.34%
* **Outstanding Remediation:** 6 Open Tasks
* **Risk Profile:** Maximum (10/10)
